Red/NIR Light Pricing and Packages

The maximum recommended dose of Red & Near Infrared light therapy is 20 minutes (your cells can only absorb so much light). Beyond that, there is evidence to suggest Biphaseic dose response. In fact, too much can eliminate the benefits.

Single session 20mins: \$25
10-pack of 20 min sessions: \$219
10-pack of 20 min sessions: \$400
45-pack of 20 min sessions: \$629
